

Tally Scoreboard

Setup and User Manual

Product Overview

Tally is a connected scoreboard system for racquet sports like Pickleball and Tennis. It pairs a bright, portable scoreboard with an intuitive mobile app and hands-free watch control. With Tally, you can keep score in real time, display it for everyone to see, and enjoy uninterrupted play.

Tally: For. The. Win.

What's in the Box

- Tally Scoreboard Scoreboard Unit
- USB-C Charging Cable
- Warranty and Quick Start Card

Safety & Precautions

- Keep away from water and extreme temperatures.
- Do not open or modify the device.

Quick Start

tallyscoreboard.com/app

1. **Download the App:** Search for "Tally Scoreboard" in the Apple App Store or scan the provided QR code.
2. **Charge the Scoreboard:** Plug in the USB-C cable and allow approximately 3 hours for a full charge. The LED light will turn green when charging is complete.
3. **Launch the App:** Open the Tally app on both your mobile phone and your watch.
4. **Create Your Account:** Log in to Tally using your Apple, Google, or email account.
5. **Turn On the Scoreboard:** Press the power button located on the side of the scoreboard.
6. **Connect to Your Board:** On the app's home screen, tap "Pair Device" on the main screen of the app, select your Tally Scoreboard, and confirm pairing code.
7. **Now, get out there and play!** Select your desired sport, configure the game settings, and click start.

About Your Tally Board

Mounting Options:

- **Option 1:** Utilize the integrated brackets for secure attachment to fences.
- **Option 2:** Extend the built-in stand for stable placement on flat surfaces.

*** Important:** Always verify that the Tally Scoreboard is securely mounted before operation.

Charging

- Plug in the USB-C cable on the side of the board.
- A full charge takes approximately 3 hours.
- The LED indicator will turn green once charging is complete.

Volume:

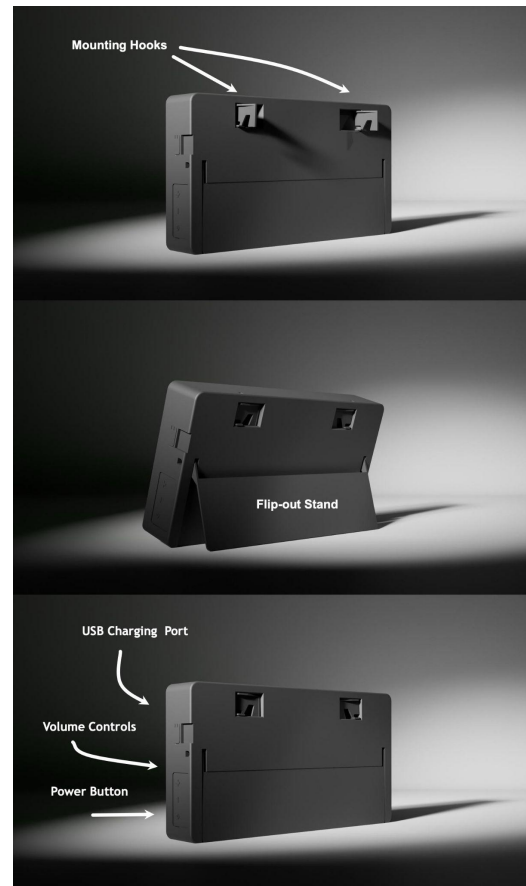

- Adjust the volume using the + and - buttons located on the side of the scoreboard.
- Tally will save your last volume setting.

Powering On / Off:

- **Power On:** Press the power button once and the LED display activates.
- **Power Off:** Press the power button again and the board will turn off

LED Display Features

- High-contrast outdoor-visible LEDs.

Play and Keep Score (Phone and Watch App)

Setup

1. Enable Bluetooth on your smartwatch and smartphone.
2. Open the Tally app on your phone and log on.
3. Open the Tally app on your watch.
4. Tap "Pair Device" on the main screen of the app or from the menu, select your Tally Scoreboard, and confirm pairing code.

5. Choose the sport you want to play or choose the quick play icon on the bottom of the main screen -or- click the “quick play” button on the bottom which repeats the last game and configuration.
6. Configure the game details by clicking “change default.”
7. Optional: Change the team names.
8. Select the players by clicking on the player picture.
 - a. Choose the player from the list or create a new player by clicking the “add player” icon in the upper right hand corner.
9. Adjust the position of each player and which side serves first.
10. Click Start Game.

Gameplay

11. Keep the Tally app open on your iphone or Apple Watch.
12. Locate the “Score Line.” - this is the area of the app that contains the score.
13. Use simple swipe gestures on the score line on your iphone or watch app to control the score of the game.
14. Score line gestures:
 - Swipe UP or DOWN toward the team who won the point to advance the score.
 - Swipe LEFT to undo the last point.
 - Swipe RIGHT to redo the last point.

Troubleshooting

Issue	Solution
Scoreboard not pairing	Reset Bluetooth settings, restart both devices
Score not updating	Ensure smartphone and Tally are within 30 feet of Smartwatch
Battery draining fast	Reduce LED brightness
Incorrect score behavior	Check if correct sport mode is selected
Score Line not swiping up or down	Touch the center of the scoreline and then continue swiping
Watch, Phone, and/or Tally Scoreboard out of synch during game play	
Version mismatch between smart phone and watch app
